Euroafrican Horizon Association - Empowering Lives Through Education and Care

Introduction:

Founded in 2004 by Zara Lengle, a Swiss nurse, **Euroafrican Horizon Association** is a non-profit organization that runs Childrenshome, a nursery school for children aged 3 to 8 in the Namibian desert.

Our Mission:

We are dedicated to providing essential support, education, and care to underprivileged children, irrespective of their religious or backgrounds.

Services:

Childrenshome offers a safe haven for 90 children, providing food, clothing, healthcare, and quality education. Our structured daily routine includes playtime, meals, classes, and rest, ensuring holistic development.

Vision:

We aim to create awareness about socio-economic issues in highly impoverished regions. Through ethical actions and social and health support, we empower children to break the cycle of poverty.

Team:

Led by Zara Lengle, our compassionate team includes African nurse Christine, dedicated teachers Sarah, John, and Lilibeth, and Zara's children Andrew and Sophia. Our trained staff ensures the well-being and growth of each child.

Achievements:

We have garnered support from sponsors in Italy and Switzerland, enabling us to make a significant impact on the lives of vulnerable children in Namibia.

Future Plans:

We seek to solidify our position locally and replicate our success by establishing similar centers worldwide. We also aim to collaborate with like-minded organizations, adhering to ethical principles and effective strategies.

Join Our Cause:

Donate to provide resources, education, and healthcare to children in need.

Volunteer your skills in education, healthcare, fundraising, or project management.

Spread awareness about the challenges faced by underprivileged children.
